**Retail Sales Tax Account:** *\$25 Nonrefundable Registration Fee*  
or **Out-of-State Use Tax Account:** *No Additional Fee*

**Retail Sales Tax** is applicable whenever selling activities are conducted in Indiana; whenever a business location, warehouse, distribution center exists; or whenever employees solicit or take orders for your products in Indiana (this includes wholesalers). Upon registration for retail sales tax, the Department will issue a Registered Retail Merchants Certificate. The registration fee of \$25 is a nonrefundable processing fee and must be remitted with this application when registering for sales tax. Each business location, including manufacturers, per 45 IAC 2.2-8-7, must have a separate Registered Retail Merchants Certificate. A change of ownership requires a new application to be filed along with the \$25 fee. For example: A sole proprietor changing to a partnership or corporation is a change of ownership. **Retail sales tax rate is six percent (.06).**

**Out-of-State Use Tax** is a voluntary registration available to out-of-state businesses not meeting the conditions listed for retail sales tax. Upon registration for out-of-state use tax, the Department will issue an Out-of-State Use Tax Collection and Remittance Permit. This permit authorizes your business to collect Indiana Use Tax on sales shipped into Indiana. There is no fee associated with this registration. **The use tax rate is six percent (.06).**

As of Jan. 1, 2007, all Registered Retail Merchant Certificates are valid for two years. The Indiana Department of Revenue will automatically renew the certificate 30 days before the expiration date, at no cost to the merchant, as long as all sales returns and payments are up to date. However, if a retail merchant has unpaid sales tax debts, the Department may not renew the certificate. Merchants cannot continue to operate a business without a valid certificate. Read Indiana Code 6-2.5-8-1 for more information.

**Line 1:** Enter the date or anticipated date selling activities will begin. If you want to make purchases prior to your doors actually opening, use the date your purchasing will begin for "Date of First Sale."

**North American Industry Classification System (NAICS)**  
**(Revised 07/03)**

This list of principal business activities and their associated codes is designed to classify an enterprise by type of activity in which it is engaged. These six-digit codes are derived from the North American Industry Classification System (NAICS) and do not resemble prior year codes. Select the category that best describes your primary business activity (for example Real Estate). Then select the activity that best identifies the principal source of your sales or receipts (for example, real estate agent). Now find the six-digit code assigned to this activity and enter it on all appropriate forms. The business tax application (BT-1) will accommodate up to four different codes related to your business. The codes will assist the Department in mailing tax bulletins and other information applicable to your business. For additional NAICS activity codes, you may visit our Web site at: <https://secure.in.gov/apps/dor/bt1/naics.html>

## Instructions for Completing Form BT-1C

**Purpose:** Use Form BT-1C to apply for filing a consolidated return for either Retail Sales Tax or Food and Beverage Tax.

**For Sales Tax:** You must continue to file separate returns for all locations until the application is approved by the department. Upon approval a consolidated reporting number will be assigned. When completing BT-1s for new locations that are to be included in the consolidated reporting number refer to Section B, line 9.

**For Food and Beverage Tax:** This form will also allow you to add an existing registered location to your consolidated account.

- Be sure to answer all applicable questions. Failure to do so may result in delays in establishing your account.
- Please print legibly or type the information on your application.
- **Note:** Any outstanding tax liability owed by the applicant or an owner, partner, or officer will delay application approval.

**Line 1:** Enter your Taxpayer Identification Number. The Taxpayer Identification Number (TID) is applicable only if you have previously registered with the Department. The TID is a 10 digit number shown on the Registered Retail Merchant Certificate.

**Line 2:** Enter your Federal Identification Number. According to federal guidelines, most partnerships and all corporations are required to obtain a federal identification number. This number also is required whenever you withhold federal income tax from employees, regardless of ownership type. You may get this number by completing the Internal Revenue Service Form SS-4. This form may be obtained from your local IRS office or by calling 1-800-829-3676. Your federal identification number is assigned to you by the Internal Revenue Service (IRS).

**Line 3 and 4:** Enter the name and the *daytime* telephone number of a person within your organization that the Department may contact about tax related matters.

**Line 5:** Enter your 3 digit location number (LOC#) as shown on your Retail Merchant Certificate. Enter business name or DBA (doing business as) and street address, city, state, and zip code. **Note:** The business location address cannot be a P.O. Box number.

### Instructions for Food and Beverage

If you are filing consolidated for Food and Beverage (FAB) Tax, it should be noted that all locations must be within the same taxing boundary. Consolidated returns can be filed for businesses located within a county, city or town, but the location must be within just one tax boundary. A boundary for a municipality could be a county or city and/or town.

#### Example:

You have restaurants located in Hendricks County, they are:

001	ABC Diner	Avon
002	ABC Diner	Avon
003	ABC Diner	Avon
004	ABC Diner	Brownsburg
005	ABC Diner	Plainfield
006	ABC Diner	Plainfield
007	ABC Diner	Amo
008	ABC Diner	Clayton
009	ABC Diner	Clayton

You are allowed to file consolidated for all nine diners, since they are all located in Hendricks County. Or you could also choose to file another consolidated return for the diners located in Avon and still another consolidated return for the diners in Plainfield. Therefore, all ABC Diners could file three consolidated returns: one for Hendricks county, a second for the Avon and a third for Plainfield.
